

You're A Good Man Charlie Brown – Hair, Makeup, & Shoe Notes

HAIR:

We have an idea how we'd like your character to look, but we want to see how it will look with the costume *before* we take your cast photos on **Jan. 31st**.

We'd like each character to come with their hair done - according to the character instructions noted [here](#) to the Costume Parade. Do your best, we can help give you tips or corrections at the parade. Then you will do it again before you arrive for dress rehearsal and cast photos on Sunday Jan 31st.

SHOES:

Your character has a "look" from head to toe - we've been watching your feet and shoes. We'd like you to wear old-school tennis shoes (Converse or kids) unless we have indicated dance or other shoe style for your character. Whenever possible we were trying to limit the number of kids who needed to get new shoes for the show vs. traditionally where everyone needs dance shoes-period. You should wear your shoes for Costume Parade on **Sunday 24th** AND you should also be wearing this pair of shoes to EVERY rehearsal - no more socks or UGG boots. You need to get used to moving and dancing in the shoes you will wear for the performance. If you have questions, call or email charlotte@khandelwal.org Send her pic of the shoes you already have and want to use OR what you will be buying quickly. They do not need to be name brand - just that style.

MAKE UP Requirements

We'll have people on-hand to help with your makeup application and final touches before performances, but every actor should have their own kit to turn in at Costume Parade on Sunday, Jan. 24th. Put the following items in a ziplock bag marked with your name and character's name:

- A standard Ben Nye actor kit (match to your skin color) [Ben Nye Theatrical makeup kits](#) (oil-based makeup) can be purchased at [San Jose Dancewear](#) (formerly Victoria's Dance) at [376 Race Street, San Jose](#). There are different skin tones and this is a great kit to have for basic stage makeup. Staff at the store can match your actor if you are unsure of skin tone. Approximate cost: \$20. San Jose Dancewear has given a discount to groups performing at Hoover Theater in the past (10%).
- brown or black eyeliner liquid or crayon (boys brown eyeliner; girls with blond hair - brown eyeliner)
- brown or black waterproof mascara (as noted above)
- facial cleanser or wipes
- makeup remover & wipes
- cosmetic sponges
- few cotton balls

OTHER NOTES for GIRLS:

Plan on sports bra,tank top or camisole under your costume

If character in dress/skirt, you'll need flesh-tone footed tights or several pairs of nylons in your kit & bike shorts/volleyball shorts

No nail polish other than clear on your fingers!
